Organizational chart and processes	As per ANNEXURE - 2

Nature and Extent of Involvement of Faculty and students in academic affairs/improvements	Institute of Design Planning and Technology, (SCET) is managed by SES (Sarvajanik Education Trust) established in 1912. The Sarvajanik Education Society has had a presence for more than 112 years in the South Gujarat region. With the formation of Sarvajanik University in the year 2021, under the aegis of Sarvajanik Education Society, a greater impact on the educational scenario is expected. Today the society imparts quality education in multiple disciplines. SCET was established in 1995 as one of the pioneer Self-financed educational institutes imparting technical education including Architecture and nine Engineering branches. The mission of the institute is "To form intellectually competent, professionally skilled, spiritually evolved, morally upright, socially responsive, Culturally tolerant citizens through holistic "Sarvajanik" Technical Education for creation of progressive civilization". INNOVATION: 1. Module Based Studio The fundamental intent of the module system is to provide the student with Outcome based learning, The module is planned in such a way that there is systematic progress week by week. Continuous evaluation is the key to the success of the module, since this would keep the students involved and not really work towards the various juries and review submissions. Every Module is headed by a tutor who owns the module, and the module is a reflection of his/ her creativity, domain knowledge and passion. At the end of the module, there is a review and exhibition of the work followed by a compilation of the works, into a common format. Feedbacks are taken by the Tutor and students at the end of the semester so the improvisation could be done in the future. 2. OSEL (On Site Experiential Learning) IDPT-SCET has included a weekly OSEL (On Site Experiential Learning) in our curriculum. Where OSEL is On Site Experiential Learning. All the sessions for OSEL are well planned in advance and an OSEL is conducted for all the subjects. On the day of the OSEL students are taken to an appropriate site and class is conducted onsite. More focus is given on conducting Field visits, Case studies and Market surveys /Visit to understand the practical approach of the manufacturing process. These site visits are accompanied by faculty members to impart better understanding. 3. Joint Studios with various other Institutes : COLLABORATION OVER COMPETITION The joint studio format is an extension of Design Studio's philosophy of Peer learning and is taken further to various esteemed institutions of the country and eventually abroad. The intention of the joint studio in combined groups of students from both the institutes is to have cross-learning and enriching of experience and knowledge with Faculty and student exchange. Working on the same site, subject and philosophy with varied approaches will help students and faculties to grow in their experience and help in developing skills of collaborative working. So far we have conducted joint studios with Ganpat University-
--	---

GUNI, and Nirma University- Ahmedabad.

4. National and Global exposure

- Regular National & International Study Tours are organized to Culturally and Architecturally rich historical places & documentation of same is done. Encourage students for foreign exchange programs
- International exchange programme is introduced for global exposures. As a part of the exchange programme the college also offers scholarships to foreign students, which helps in better cultural and intellectual exposure amongst the students of both institutes.

5. National Innovation and Startup Policy

The National Innovation and Startup Policy started in 2019 for students and faculty of Higher Education Institutions (HEIs) The policy enables the institutes to actively engage students, faculties and staff in innovation and entrepreneurship related activities.

6. The institute offers various electives - Professional as well as Transdisciplinary, in each semester which are framed keeping in mind the changing architectural scenario, in which individual students can opt according to their inclination.
7. Value Added Courses to nurture morally upright professionals and courses imparting Liberal Studies and Life Skills form the key group of courses in each semester.
8. Expert guest lectures have been organized to enhance knowledge of particular topics.
9. Various seminars, short courses & Research works etc. are conducted to update creative skills.
10. Community Extension Programs are conducted
11. The SRDC (Research design cell) set up in the Architecture Department recruits students project wise on a part time basis for specialized jobs related preparations of presentations.
12. The ideas and concerns related to progressive, flexible and choice based learning highlighted in the National Education Policy, UGC guidelines, as well as KCG(Knowledge Consortium of Gujarat) have been successfully included and implemented in the curriculum of all the programmes of IDPT-SCET

INVOLVEMENT:

1. Competency mapping at various platforms (like NIRF, GIRF, India Today, SGCCI etc.) in order to understand and upgrade institute's performance / capacity by participating in various initiatives started by the government.

FEE ORDER

ORDER made in the matter of determination of fee structure for the Academic Years 2023-2024, 2024-2025 & 2025-2026:

1. In pursuance of the powers conferred upon it, the Fee Regulatory Committee (Technical) (the "Committee" for short) which is constituted under the provisions of **The Gujarat Professional Technical Educational Colleges or Institutions (Regulation of Admission and Fixation of Fees) Act, 2007** ("the Act" for short) intimated all the institutions which are subject to the jurisdiction of the Committee, to submit their proposals for determining the fee structure for the block period of three years of 2023-24, 2024-25 and 2025-26 on 20/04/2023. The deadline for submission of applications/consent was 10/05/2023. The time-limit was extended till 17/05/2023 considering the requests received from several institutions from time to time. From amongst the existing institutions as on 2022-23, total 485 institutions had submitted the fee proposals in prescribed formats till the extended time-limit for raise up to aggregate 5% of the existing fee based on the notional rise granted by the Committee in accordance with their fee proposals for the years 2020-21, 2021-22 and 2022-23 subject to an upper limit of 5%. The notional rise is granted by the Committee keeping in view the acceptance of its appeal by the institutions to maintain the status quo of the then existing fee due to COVID-19 pandemic conditions. Moreover, 15 other institutions which had shown intention to raise the fee structure above 5% of the existing fee for the year 2022-23 have changed the mind afterwards and requested the Committee to allow them to submit the fee proposals for up to aggregate 5% of existing fee. The

committee accepted the requests of these institutions and as a whole total 500 institutions are included in **Appendix-I**.

2. The Proviso to Section 10(c) of the said "Act" prescribes as under: -

"Provided that the unaided professional educational college or institution may raise the fee up to five percent of existing fee for the fee block up to three years, or make any reduction in the existing fees without following the procedure as referred to in clauses (a) and (b) above. However, the unaided professional educational college or institution shall provide a "Declaration cum Undertaking" regarding the revised fee structure under this section in the form of affidavit as may be prescribed."

In view of the above provision, the Committee has granted the increase in fee structure which is not exceeding the aggregate 5% of the existing fee and has determined the fee structure for the institutions listed in **Appendix-I** hereto for the block period of three years commencing from the year 2023-24 which is subjected to the following conditions:

- i. The fee structure indicated above is the fees in Rupees per annum per student.
- ii. The fee structure determined by the Committee shall be binding for a period of three years. The fee so determined shall be applicable to the students admitted in that academic year and shall not be revised till the completion of his/her professional course in the same institution.
- iii. The notional rise as mentioned in Para-1 of this order is only for the limited purpose of fixing the base for the subsequent block and it is not to be charged from the students admitted in the academic year 2022-23 on actual basis.
- iv. As per section 11 (2) of the Act, the fees indicated in **Annexure-I** to this order include all types and kinds of fees such as Tuition fees, Library fees, Laboratory fees, Computer Fees, Caution Money, Gymkhana, Internet, Sports and Recreation, Self/Personality Centers fee, University Affiliation fees (if any) and the like. As such the institution shall not collect any other fee from the students except the fees as mentioned in **Appendix-I** to this order.

- v. The fee structure stated above is subject to any direction, circular, orders or notification that may be issued by the Government of Gujarat, Government of India, Statutory or Regulatory Body or Any Court of Law with regard to fees to be charged by institutions for the year 2023-24, 2024-25 and 2025-26 or for any other period that may be prescribed by it.
- vi. The institution shall not take fees for the full course at the time of admission. The fees shall be collected per semester or term of 6 (Six) months as the case may be.
- vii. The institution shall not ask for any bank guarantee or security of any kind from students or their parents.
- viii. The institution shall not compel any student to avail any facility including hostel and transport as a part of the condition for admission or its continuity till the end of the full tenure of the course.
- ix. The institution shall notify the Fee structure on its Notice Board and also display copy of this order on its Mandatory Disclosure Link on its official website.
- x. Additional fees charged from the students admitted under the NRI Quota shall be credited to a separate bank account and the same will be used only for the benefits of the students belonging to the economically weaker class and/or for increasing/developing infrastructure facilities. The institution shall also furnish all the information pertaining to the utilization of excess fees from the NRI category students in the information memorandum which may be submitted along with the fee proposal for next block of three years.

Sub: Extension of Approval for imparting **5-year Full-time Bachelor of Architecture Degree Course** from the academic session 2021-2022 onwards - reg.

Dear Sir/Madam,

I am directed to state that the Executive Committee of the Council of Architecture (COA) considered the assessment report of the Inspection Committee that conducted inspection of your Institution (copy enclosed), duly scrutinised by the Scrutiny Committee of Experts, together with the information provided by institution, for extension of approval of **5-year full-time Bachelor of Architecture (B.Arch.) degree course**.

The Executive Committee, after consideration of the same, has decided to grant extension of approval to **5-year full-time Bachelor of Architecture (B.Arch.) degree course** at your institution as under:

DETAILS OF THE COURSE	INTAKE	PERIOD OF APPROVAL
5-year Full-Time Bachelor of Architecture	80	2021-2022

The approval accorded by the Council to your institution is subject to compliance of the Council Norms attached herewith as **Annexure-A**.

The approval accorded to your institution shall be subject to appointment of adequate Faculty of Architecture and maintenance of physical infrastructure & facilities at your institution in terms of Council of Architecture (Minimum Standards of Architectural Education) Regulations, 2020, prior to commencement of academic session 2021-2022. The institution shall be required to appoint faculty to fill up any vacancy, as may be required, within 15 days in case of any faculty leaving the institution.

The final observations of the Executive Committee are mentioned below for your information and compliance:

- Institution must recruit 2 Assistant Professors before the commencement of academic session.
- Adequate Infrastructure and cadre-wise qualified faculty as per COA Norms should be appointed/maintained by the institution at all times.

The institution shall initiate necessary remedial actions, if any, based on the observations of the Executive Committee & Inspection Committee and send its compliance/observations on the same for further consideration. The Council shall be at liberty to inspect the Institution at any point of time to verify the compliance made by the institution and to ascertain that the institution is imparting architectural course as per the Norms prescribed by the Council, from time to time.

Yours faithfully,
